ACAMIS Rugby Tournament
27th-28th October 2011

DULWICH COLLEGE
SHANGHAI

Dulwich College Shanghai Layout

Welcome to Dulwich College Shanghai, and most importantly the ACAMIS Rugby Tournament for 2011. It is our pleasure to host you; the players, families and staff from all competing schools.

Over the next couple of days we hope you will have the opportunity to compete in some hard and competitive matches, make some friends, experience the hospitality of the Dulwich community and enjoy the rugby.

I wish you all the very best of luck in each and every game.

Kind regards,

Mr. Gray Lyons
Director of PE and Sport

U19 ACAMIS Rugby Rules

Rules:

- The teams will consist of a squad of up to no more than 15 players
- The game is rugby 10s
- For safety, it is an expectation for players to be wearing a gum shield
- All conversions are drop kicks in line with where the try was scored
- Each game is 10 minutes per half with a 5 minute half time break
- Opposing scrum half is not allowed past mid-line until ball is out of the scrum

Points will be allocated as follows:

Win = 3 points Draw = 1 point Loss = 0 points

Laws (IRFU Under19 Laws apply except for the following ACAMIS variations):

- A five man scrum
- A yellow card results in a sin bin for 3 minutes
- Any judiciary matter involving a player being sent off will be handled by the tournament director and the referee of the match involving the sending off. A player is banned for the next game unless the Tournament Director warrants that the issue is particularly serious
- Line-outs are contested and lifting is allowed

Restarts:

- To restart play following either team scoring, the team which scored shall recommence play with a drop kick from the centre of the halfway line
- Should the kick not travel 10 metres from the kick off the receiving team shall be awarded a free kick that shall be taken from the centre point of the halfway line
- The team receiving the kick off is allowed to set up in the field of play whilst the conversion is being attempted as long as they don't interfere with this attempt. Otherwise a penalty is awarded from halfway to the scoring team

Replacements:

- Replacements can be made at anytime as long as replacement reports to the referee prior to entering the field of play. There is no limit on replacement i.e. up to 5 replacements can be made each game
- No player who has been replaced can return to the field in that same game unless:
- He is a front row player replacing an injured front row player, or
- A 'blood bin' situation occurs and all replacements have been used
- Any bleeding that cannot be stopped immediately will result in the player being replaced and not being able to return to the field unless bleeding has completely ceased.

Tie-breaker (in case of a points draw in the pool)

- Head to head result:
In the case of a drawn match in the head-to-head game or a multi-way tie the following shall be applied to break the tie:
- The points differential between the tied teams
- Total tries for against tied teams
- The points differential between all teams
- Total tries for against all teams
- Once the first tie-break in a multi-way tie has been resolved, additional ties will be resolved in the same format using the same sequence of procedures beginning with head to head result

If still a tie:

- Best of 3 drop goals in front of the posts and then sudden death drop goal

Play off Friday

- If a draw at the end of regulation play, 5 minutes extra time will be played and repeated until a there is a winner.
