Welcome to our M3 American Themed Evening

Dwight M3 classes have chosen two very different American plays to perform on our American Themed evening. Both classes have adapted their plays and worked as ensembles; they have created the PowerPoints, directed each other and taken responsibility for the stage management. All those involved have given up their free time after school and on the weekends to bring these productions to life.

I am very proud of the professional attitudes they have displayed and I hope you enjoy the evening they have worked so hard to prepare for you.
