the starting platform, through “Swimmers on the Blocks”. In backstroke and medley relay events, the starter will indicate to swimmers through a “Swimmers in the Water”.

- On the starter’s command “Take your mark”, the swimmers shall immediately assume

their starting position, in the forward start. Swimmers starting in the water must have at least one hand in contact with the wall or starting platform. - False Starts: Any swimmer starting before the starting signal and after the take your mark command will be disqualified. The race will continue but the swimmer/ swimmers deemed to have false started will be disqualified at the end of the race.
